

## HAVE PURE BLOOD

Hood's Sarsaparilla Makes Pure, Rich, Red Blood.

Your heart works night and day without a pause. It is the principal organ of the circulation of your blood. It is of the utmost importance that it should do its work well. The quality and quantity of your blood have much to do with its action. If this fluid is pure and abundant, your heart and other vital organs act with more energy than when it is defective in quality or deficient in quantity.

Hood's Sarsaparilla makes the blood pure and abundant. It is the one old reliable medicine that has been sold for forty years, for purifying the blood. There is no better blood remedy, appetizer, stomach tonic or nerve builder.

Be sure your druggist gives you Hood's, for nothing else can possibly take its place. Get it today.

## Veils

They're smart.

A few are fast.

Most of them are flowing.

Flit meshes are very popular.

The honeycomb mesh rivals the flit. Flowing veils usually show some sort of border.

Chenille dotted edges are seen on the smartest veillings.

Lace and embroidery are also used to border these new veils.

The ribbon border, while not at all new, is sometimes seen.

THE GEM PROGRAM

Saturday, May 1.

Violet Mercereau in "The Broken Toy." Debut of Miss leading woman featured in two real heart-interesting drama. Scenario of play by Olga Printzau Clark. Play produced by Lucius Henderson. Dancer, who marries a millionaire, mistakenly feels that if she were to lose her ability to dance his love would vanish. Injured in an accident, she leaves him, but their daughter, after many years of misunderstanding, reunites them.

Sunday, May 2.

A great stunt drama, "The Mysterious Contravert," featuring Wm. Clifford and Marie Walcamp. See this if you want to see some entirely new "movie" stunts. The thrilling leap from an automobile as she jumps from an airplane hundreds of feet in the air. Wonderful. "The Butler's Busted Romance," Stealing Comedy.

Monday, May 3.

Fun in a boarding school, "The Heart Breaker." See this 2-reel Big U comedy, pretty, bright, lots of fun. See this hilarious comedy. You will giggle, you'll laugh and you'll applaud. Amusing mixups and a roaring wind up. Don't miss this one for the blues.

Tuesday, May 4.

"The Baby's Fault," Nestor comedy.

## MYSTERY OF FEMALE FORM "GETS" COURT

EVIDENCE AS TO THE STYLE OF THE WAIST LINE, IS BEMILDERING

Chicago, May 1.—"What do you mean?" inquired Judge Gray. "A woman's a woman, isn't she? You can't change her, can you? That is—er—you can't change the way she is—er—you can't make her different, can you?"

The jurist, slightly disconcerted by the proceedings on which he was sitting in judgment today, addressed himself to Mrs. James Gudermuth, a designer of women's dresses, cloaks and suits. Mrs. Gudermuth was testifying in behalf of the firm of John Milloy & Co., which firm is suing Louis Fronch of 2610 West North avenue, charging him with failure to pay for three dresses he purchased. Fronch asserted the dresses "don't fit." "Why, no, Judge," replied Mrs. Gudermuth candidly, "women are changing all the time. In 1913 and 1914 their waist lines were two inches smaller than this year."

"You don't say," said the Court.

"Indeed," said Mrs. Gudermuth, "and last year their hips were two inches larger, whereas, this year they are two inches smaller."

"You mean," spoke the Court, "that this year a woman's waist has grown larger and her hips smaller?"

"Exactly."

"And next year what will happen?"

"Heaven knows," said the witness.

"It looks as if both hip and waist line are bound to change, because women are dissatisfied."

Mrs. Gudermuth's testimony went to disprove the silent evidence of the two live models the defendant introduced, who measured differently than the "dummy," on which the three dresses under consideration fitted perfectly.

The defense asked permission again to bring in more live models who were still wearing their 1914 figures and to show that the dresses wouldn't fit them. The bewildering evidence ended after an hour of futile questioning. Try as she would, Mrs. Gudermuth seemed unable to reveal the secrets of the feminine form.

After two more models were brought in and further evidence concerning the ever-changing waist and hip lines was discussed by attorneys and witnesses, Judge Gray gave his decision. He awarded the plaintiff a judgment for \$19.50 against Fronch. This meant that the dummy model known to the trade as "Betsy Jane," on which the dresses in dispute fitted perfectly, was more of a criterion of correct and legal line than the live models on which Fronch had showed the dresses fitted perfectly.

WHITE MAN WITH BLACK LIVER

The liver is a blood purifier. It was thought at one time it was the seat of the passions. The trouble with most people is that their liver becomes black because of impurities in the blood due to bad physical habits, causing biliousness, headache, dizziness and constipation. Dr. King's New Life Pills will clean up the liver and give you new life. 25c. at your druggist.

Races at Fair grounds tomorrow, 2:30 p. m.

COMMUNICATIONS.

(The Leader is not responsible for communications appearing under this head. Anonymous communications will not be printed. The real name of the contributor must be given.)

Notice to Horsemen.

In reference to the item given by Dick Barner, appearing in last night's issue of The Leader, under the head of "Notice," will say in justice to the horsemen that have been conditioning their horses for the past two months, that none of the horses mentioned, but one exception, John B. (and he will start, as I am informed by his owner) was scheduled to start in our races for May 2nd for the simple reason that their drivers claim they are not in condition to race mile heats at the fast clip they would be forced to go to get a position inside the flag with the horses we have entered to appear. And as this committee has endeavored to give the public what they pay to see, a horse race, mile heats, you can readily see why we could not use the horses mentioned in that item. Signed, One of the Committee.

## NO PROFIT TO UNCLE SAM FROM CANAL

EUROPEAN WAR HAS CURTAILED EARNING CAPACITY; BIG EXPENSE

Panama, May 1.—The first eight months of operation of the Panama canal have not yielded a profit to the government notwithstanding that traffic has been better than had been expected in view of the European war. From July 1, 1914 and ending March 1, 1915, the canal showed a loss of \$21,698, the deficit being mainly chargeable to the high cost of operation and maintenance.

During the period mentioned the canal earned \$2,444,515 in tolls while the charge for operation and maintenance was \$2,595,613. The government thus losing approximately 10 per cent. Under operation and maintenance are included all the diversified expenditures necessary for keeping the canal open to traffic and a prorated part of the expenses on civil government, sanitation and general administration.

More than a third of the total overhead expense of the canal is charged to operation and maintenance.

ITCHING, oozing, scaling Salt Rheum is cured by Hood's Sarsaparilla, the great and unequalled remedy for every kind of SKIN DISEASE.

Races at Fair grounds tomorrow, 2:30 p. m.

AVERAGES OF LEVIES RUN TO 15.67 MILLS

INTERESTING FACTS IN CONNECTION WITH STATE PROPERTY VALUATION

Special to Daily Leader.

Oklahoma City, May 1.—An interesting compilation of figures has been made on property valuations, taxes assessed and the rate fixed, for the 1914 taxes. The total valuation of property subject to an ad valorem tax for 1914 was \$1,176,923,582, and on this amount the total taxes levied and extended on the tax rolls in every county reached the sum of \$18,453,663.32. The state tax amounted to \$1,529,481.20; county tax, \$5,123,466; municipal tax, \$4,799,555.20; and school tax, \$6,978,180.82. This represented an average levy of 15.67 mills.

The total valuation of railroad property in the state was \$197,945,748, and against this the taxes amounted to \$2,495,240. Of the state tax the railroads paid \$257,229; county tax, \$922,240; municipal tax, \$109,159; and school tax, \$994,181.

The pipe line property in the state was valued at \$86,729,886, and the total tax assessed against that property was \$222,915. Of this amount \$77,727 went for state taxes; \$251,097 for county tax; \$115,897 for municipal tax and \$183,184 for school tax.

The total valuation of property in the state subject to ad valorem tax was greater in 1913 than in 1914, valuations reduced in many respects by the state board of equalization in 1914.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 30 drops to a teaspoonful. It acts directly on the blood and cures mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

## NEIGHBORS WERE BROTHERS DIDN'T KNOW IT

BROTHERS NOW ARE SEEKING A LOST SISTER; FORTUNE INVOLVED

Atchison, Kan., May 1.—Although James L. Herndon has lived at Horton for many years, his brother John B. Herndon, has lived in Atchison for a long time, they did not learn of each other's whereabouts until several days ago, when the Horton man advertised for his brother in a Kansas City newspaper.

"This is a happy day for me," said John B. Herndon, of Atchison, today. "My brother has arrived here from Horton, and we have looked up each other for the first time since we separated 29 years ago. I am 33 years of age now and he is 39. I was 4 years old when we were separated. We had a sister, Etta, and do not know where she is."

John B. Herndon is employed here by an oil company and his Horton brother has been a switchman for the Rock Island at Horton for seventeen years.

"It was about 1885 that our mother died at Albuquerque, N. M., several years after our father died," said John B. Herndon. "Then we children were given over to the care of a man named George Roof. Later, when I had become 7 years of age, I was adopted by a man named William Barber, of La Crosse, Kan., and a man named C. Lewis adopted my brother from Hood. James grew up in Independence, Mo. We understand that my mother left considerable property, for our father was once a successful railroad contractor and built a part of the Santa Fe.

"There is a will some place and my brother and myself will try to find where that will is recorded. We are inclined to believe that Roof, the man who took us after our mother died, never intended that we should come into possession of the property."

Lame Back.

Lame back is usually due to rheumatism of the muscles of the back. Hard working people are most likely to suffer from it. Relief may be had by massaging the back with Chamberlain's Liniment two or three times a day. Try it. Obtainable everywhere.

University Jubilee tomorrow. First Methodist church.

Healing piles provoke profanity but Dr. Ross' Ointment is recommended for itching, bleeding or protruding piles. 50c at any drug store.

A pleasant feature of the occasion was that Brother Hewes' aged mother was present from California.

Harbored wire cuts, ragged wounds, collar and harness galls, heal up quickly when BALLARD'S SNOW LINIMENT is applied. It is both healing and antiseptic. Price 25c. 50c and \$1.00 per bottle. Sold by Owl Drug Store.

All friends of O. M. U. invited to the University service at First Methodist church Sunday morning.

Some Forms of Rheumatism Curable

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: Acute and Chronic Rheumatism and Lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially Rheumatic Pain, because it penetrates to the seat of the trouble, soothes the afflicted part and draws the pain. Sloan's Liniment is all medicine. Get a 5c bottle now. Keep it handy in case of emergency.

"STAR—The Pocket-Pot of All Good Fellows"

## Men Who Chew Are Men Who DO

NO men more fully enjoy the jolly companionship of good chewing tobacco than the foresters who conserve America's standing timber.

These big, brave, brawny men, as ready to fight a forest fire to a stand-still as they are to take a twenty mile "hike" in the dead of night, are STAR pluggers as well as STAR chewers. They find STAR mighty pleasant company when they're alone—and when they meet a traveler they're glad to pass their plug to him. They know that STAR is good for one and better for two.

Each STAR plug is thick with a thickness of long lasting, mellow chewing leaf that just suits to a "T" the taste of Americans. Each STAR plug weighs a full 16 ounce pound, every time. Each plug is made clean and kept so; a STAR plug won't dry out like a thin plug—and the taste lasts. It will just take you but a few seconds to cut off a chew of STAR and get it into your mouth—to understand why STAR is the leading brand of the world.
